

DOUBLE HEADER

**For July 4---Richmond
Will be the Attraction
at Local Park.**

**Maysville Here Today and Lex-
ington Saturday.**

The Blue Grass League baseball season was opened here last Wednesday. A large crowd was present and the fans rooted loyally for the home team. The game was a beautiful one, but the home boys were defeated by the score of 3 to 1. Friedly, for the locals, pitched masterly ball, but lost his own game by fumbling a grounder with two men on bases.

Maysville again defeated the locals Thursday by the score of 6 to 4.

Friday the home team was defeated by Frankfort in a miserably played game of ball by the score of 13 to 5.

Frankfort again defeated the locals Saturday by the score of 10 to 7. It was a splendid played game and when Frankfort went to bat in the ninth inning the score stood 7 to 4 in favor of Mt. Sterling and everyone present thought the locals had won a victory, but the heavy hitting Lawmakers got busy and batted out a victory, knocking Friedly all over the lot, who seemed to have completely given out. It seemed at this period of the game that poor judgment was displayed by not sending in another pitcher.

The locals went to Lexington Sunday and broke their losing streak, winning an interesting 10 inning game by the score of 5 to 4. There will be a number of ball games on the local grounds this week. Maysville played here Tuesday and will play again today. The result of Tuesday's game was not learned at time of going to press.

On Thursday, July 4, Richmond will be here for a double header, one game will be played in the morning and one in the afternoon. It is expected a large crowd will be in this city on that day, as there are special rates on all railroads and a special train will be run to Winchester after the ball game.

On Saturday Lexington will be the attraction at the local park. The local team has been greatly strengthened by the addition of Guy Long at 3d base and Vanlandingham behind the bat. Both of these players have been showing up exceptionally well. The local management is working hard, several more new players will be bought and Mt. Sterling will soon have one of the fastest teams in the league. Let's continue to attend all games and root hard for the locals.

MRS. T. C. GRAVES PASSES AWAY

**After Long Illness---Was One of
This City's Most Prominent
and Beloved Women.**

Although expected, the news of the death of Mrs. T. C. Graves, who died at her home on Holt avenue last Wednesday morning, caused much sorrow.

She had long been a sufferer from Bright's disease and for the past few weeks her condition had been serious and her death had been expected at any moment.

Mrs. Graves was a daughter of the late Jack Martin and wife of Tarlton C. Graves, deceased. She was about sixty-seven years of age. She is survived by three children, Mr. J. C. Graves, a member of the firm of Punch & Graves, and two daughters, Misses Laura and Minnie Sue Graves. Four sisters also survive, Mrs. T. K. Barnes, Mrs. Mollie Gatewood and Miss Rebecca Martin, of this city, and Mrs. Creth Taylor, of Winchester.

Mrs. Graves was one of this county's most prominent women and was known and loved by countless friends. She was an excellent Christian woman and by her loving deeds had made numerous friends, to whom her death is a matter of sincere regret.

The funeral service was held at the residence Thursday afternoon, at 4 o'clock, conducted by Revs. George Kennard and H. D. Clark, burial in Machpelah cemetery.

To the sorrowing family we join many friends in extending deepest sympathy in the time of grief.

WOODROW WILSON FOR PRESIDENT

**After Longest Session In the History of the
Party Democrats Name Their Standard Bearer.
Clark and Underwood Contending Candidates.**

NOMINATED ON THE FORTY-SIXTH BALLOT

BY VOTE OF 990 TO CLARK'S 82.

After balloting for seven days the Democratic convention, in session Tuesday afternoon, nominated Woodrow Wilson, of New Jersey, as the Democratic candidate for the presidency. Champ Clark, of Missouri, was his closest opponent, while Oscar Underwood, of Alabama, and Judson Harmon, of Ohio, had many loyal supporters.

Several "dark horses" had been suggested, among them being Kerns, of Indiana, and James, of Kentucky. From the vote it looks like Wilson and Underwood combined and possibly Underwood will receive the nomination for Vice President.

With a man like Wilson heading our ticket and the Republican party split as never before, it is not a question of whether we can win or not, but only a question of how big will be our majority.

COUNTY HIGH SCHOOL

**Montgomery County to
Have Splendidly Equip-
ped School.**

**The Property of Mt. Sterling Col-
legiate Institute Secured.**

The Montgomery County Board of Education has bought from Mrs. Edith Cord her school property on Holt avenue, formerly occupied by the Mt. Sterling Collegiate Institute. Mrs. Cord reserved a fifty-three foot lot from the campus and was then paid the sum of \$7,000 for the remainder. The board will use the property, commencing this fall, for a County High School. A county high school is something this county has sorely needed for a long time and the board is to be congratulated upon this progressive step. The district school on Howard avenue, known as the Belt Line School, will be transferred to the new property acquired by the county. Miss Dessie Stamper will again have charge of this department, while two new teachers will be selected for the high school.

Special Service.

Sunday morning at the Presbyterian church, Rev. Hibshman preached a special sermon to the members of the local Masonic lodge, who attended the service in a body. Rev. Hibshman, who is a Mason of high standing, preached a very interesting and instructive sermon which was much enjoyed by those present. Miss Mary Crawford Lloyd added much to the services by rendering a beautiful solo. The Misses Philipps, of Danville, who are visiting Mr. Lloyd Frazer, charmed the audience with a violin duet. Miss Lloyd and the Misses Philipps again added to the services at this church in the evening.

TERRIBLE ACCIDENT

**James Crockett Dives
In Shallow Pool and
Breaks His Neck.**

**Not Yet Dead But Has Very Little
Chance to Recover.**

James Crockett, aged 22 years, a tenant living on the farm of Mr. James White, near Judy, this county, while swimming in a pool in Hinkston Creek Saturday afternoon dived and struck his head on a piece of iron, supposed to be a piece of a discarded farm implement, with such force as to break his neck.

He was taken from the water by some companions and carried home. Dr. R. E. May was called and found the young man injured as stated above and also found he was paralyzed from the neck down and while he is still alive his chances for recovery are very slight.

JOHNNIE'S TWO FOURTHS.

The cannon roared
And the rockets soared,
And the pin wheels whizzed and turned
The crackers popped—
A match was dropped—
That's how my hair was burned.

The fireworks bright
Lit up the night,
And zigzagged through the sky;
A rocket dropped,
And when it stopped
Relieved me of an eye.

An ear, my nose,
Two of my toes,
Went off, to my alarm,
Some dynamite
Would not act right,
And took away my arm.

Four fingers and
Part of my hand
Were likewise blasted free.
Fourth of July
Has now gone by
Also one-fourth of me.

—Josh Winks.
